## CHAMBER OF COMMERCE MEETS

Pursuant to the announcement last week, there was a public meeting of members and supporters of the Hondo Chamber of Commerce at the Club Hall Monday night. The meeting was well attended. The discussions, more or less informal, were engaged in pretty generally and in a friendly spirit. All in all, the meeting was harmonious and its work constructive and forward looking. Results beneficial to the town are certain to flow from the actions taken at the meeting Monday night.

On motion duly made, seconded, and carried it was decided that Medina county should accept the date of September 14, 15 and 16, assign it as dates for holding a county fair at Hondo by the Southwest District Fair Association, and it was decided to have a County Fair at Hondo on those dates.

Prof. W. N. Saathoff was elected chairman of the Fair committee and C. M. Merritt secretary-treasurer and general adviser. A Fair committee was then created by electing a chairman for each of the divisions of interest of the Fair. It will be the duty of each of these various chairmen, in addition to acting with the chairman and secretary as a general Fair committee, to appoint committees from the various sections of the county to act with himself in looking after the particular feature of the Fair for which he has been appointed.

The following chairmen were elected by vote of the members present:

Frank Schweers, Dairy Division  
Vernor King, Beef Cattle  
O. H. Miller, Swine  
Tom Holloway, Poultry  
John Finger, Prizes  
Isaac Wilson, Amusements  
C. R. Gaines, Relics  
Miss Mollie de Montel, Flowers  
Mrs. Dr. W. H. Smith, Ladies' work

Mrs. Lou E. Heath, Culinary Division

Mrs. Mimke Muennink, Art and School Exhibits Division  
C. J. Bless, Farm Exhibit  
F. G. Muennink, Sheep and Goats  
George Muennink, Mercantile Exhibits  
C. M. Merritt, Boys and Girls Club Exhibits

On motion the General Committee authorized to fix such fees for exhibitors and such gate fees as are deemed right and proper in order to properly finance the enterprise. Likewise the location and securing of grounds and buildings for the Fair was left to the general committee's discretion.

The American Legion Post having gained a successful baseball team in the last season, a committee composed of Felix Batot, Fletcher Davis and O. H. Miller, was appointed to confer with Legion representatives to see what can be done for a baseball team this season and to report back at the next meeting of the Chamber.

Volunteers to solicit membership in the Chamber of Commerce were authorized to act as follows: O. H. Miller, Richard Reily, Ed. Ney, August Weynand, Frank Schweers, Willem Muennink, Ben Epstein, Ben Finger, Elbert de Montel and Lou Heath. These men have the authority of the Chamber of Commerce to receive your membership and request for your admission fee of \$6. The 'em smile when you see 'em smiling.

The purchase of 150 chairs to seat the Chamber of Commerce hall was ordered by vote of the membership. It was also voted that the deficit of \$5.7 in the county school meet be paid out of the Chamber of Commerce funds.

A committee composed of C. J. Bless, Jack J. Droitcourt, Ed. Ney and Jacob Reily was appointed to devise ways and means of re-organizing and re-equipping the Hondo Volunteer Fire Company, and providing fire protection for Hondo. This is a matter the neglect of which is most criminal. If you have property in Hondo that is liable to fire damage confer with this committee, for them the benefit of your suggestions and out of the multiplicity of counsel let an efficient system of fire protection be devised for the safety of property in Hondo. Whatever may have been any one's opinion of the Chamber of Commerce

in the past, it would be a pessimist indeed who could not see that the organization came alive in its meeting Monday night. The spirit of good will and community fellowship that characterized all of the discussions, even where differences of opinion arose, and the spirit of work and co-operation that pervaded the whole atmosphere of the gathering can but promise better things for Hondo. In the program as outlined above there is enough constructive promise to fire the zeal and excite the patriotism of every citizen of our town.

Join the Chamber of Commerce now and be a factor in this forward movement, a wheel in the great machinery of your town's development.

**MISS RACHEL MCGARY.**

After quite a protracted illness, Miss Rachel McGary fell asleep in the evening of May 4th. While her passing was not entirely unexpected, it caused a great shock to her family and friends, as they hoped and thought the visit of the Grim Messenger was still some weeks removed. Deceased was born in Fayette county, Texas, in 1850, and came to this county in 1886 and had made it her home continuously since.

She had long been a member of the Methodist Church, and had an abiding faith in the saving grace of her Lord and Savior.

The funeral occurred at 5 o'clock Thursday afternoon, her mortal remains being interred in Oakwood Cemetery, Rev. Geo. G. Smith, pastor of the Methodist church, conducting the services.

She is survived by a brother, Upton McGary of Hondo, and a nephew, Stanton U. McGary, of Houston, and also a sister-in-law, Mrs. Upton McGary of Hondo.

She lived a Christian life. All is well with her in the realm beyond the grave.

**WERNETTE MOSS.**

Mr. Clarence L. Wernette and Miss Lanie Moss were married at the home of Judge and Mrs. A. M. Lamm Saturday evening, April 29, the Judge in his most urbane manner performing the ceremony.

The groom is a most industrious and progressive young farmer, the son of Mr. and Mrs. Joe Wernette of the Biry community, and is highly esteemed by all who know him.

The bride is the winsome daughter of Mr. and Mrs. B. F. Moss of the Yancey community, and by her womanly grace has surrounded herself with a large circle of friends and admirers. She has engaged in teaching in various parts of the county for the past several years and enjoys quite an extensive acquaintance among the people of the county.

That the journey of this happy young couple down life's pathway may be one of joy and happiness is the wish of their host of friends and acquaintances.

## ANOTHER RAIN.

The weather man must think the people of Medina county are web-footed and wear feathers. The month of April closed with one of the best rains to put moisture in the earth that has visited this section in years. Following the splendid rains of Wednesday it began raining again about daylight Sunday and continued at frequent intervals throughout the entire day, and Monday morning Judge Haass, the local observer for the U. S. Weather Bureau reported a total precipitation of 2.40 inches. The Hondo, the Verde, Seco and the lesser streams of the county were all flooded, the Hondo rising higher than from the Wednesday rain, but no damage is reported, no farms being flooded. Crops were never more promising at this time of the year, pastures are fine and are fixed for water for many months to come, and both farmers and ranchmen are now hoping for some fifteen or twenty days of clear warm sunshine. It is true that our farmers are sometimes the victims of drouth, but the fellow who would try to convince them that their lot was harder than those who live in the middle and eastern part of the state where they are flooded out almost every year would be wasting a good lot of breath. The farmers of Medina county, as a rule, are more certain of a reward for their toil than are those in any other part of the state. The question that puzzles them is why those living in less favored sections do not realize their want of judgment and pull up and move to West Texas.

Another rain storm passed over this section Tuesday night, between 10 and 11 o'clock, the precipitation amounting to 1.48 inches. All the streams were flooded, and all outdoor work again stopped. The heavy rains of last week-end and the fall of Tuesday night did some damage to some of the bridge approaches but otherwise did no damage. Farmers are anxiously awaiting clear weather so that farm work may progress. Conditions were never more promising at this season of the year than now and everything points to a bumper crop this fall.

**CARD OF THANKS.**

With hearts full of gratitude we wish to acknowledge our great indebtedness to our kind neighbors and friends for untiring help rendered during the illness, and death, of our beloved sister and aunt, Miss Rachel McGary. And we also wish to express our great appreciation for the profusion of beautiful flowers that bedecked the mound of our departed loved one. Their great kindness will be held in affection as long as life lasts.

Sincerely,  
Mr. and Mrs. Upton McGary,  
Stanton U. McGary.

**FARM LOANS.**

The Hondo National Farm Loan Association, H. E. Haass, Secretary-Treasurer, Hondo, Texas, representing 132 borrowers, with \$503,280 borrowed, is prepared to make farm loans anywhere in Medina county under the Federal Farm Loan Act at 6 per cent interest and 1 per cent 33 year authorization repayment plan. Nineteen thousand Texas farmers have taken advantage of this system of borrowing over fifty million dollars. Why not you? Former restrictions have been taken off and you may borrow for any purpose provided for in the Act, as a farmer only.

This will be a splendid opportunity for teachers' review in preparation for renewal of their certificates for the ensuing year.

Prof. J. D. Howell and Sidney F. athletic coach, have gone to Austin to accompany Hondo's entrants to the State Meet of the Interscholastic League. At this meeting Hondo will be represented by Henry A. Tony Windrow in the Tennis Doubles contest. Homer Wilson will contest in the Tennis Singles. And O. Filleman and J. C. Merriman will contest in the races. These are all athletic features. The only literary features, so far as are informed, is an essay by M. Ina King. In this contest the manuscript is submitted and attendance at Austin was not required. All hoping Hondo's representatives will win.

A. J. Graff, one of our enterprising young farmers, was a pleasant caller at our sanctum Thursday. Mr. Graff took occasion to say that he very much appreciates and enjoys the farm matter we have been printing recently in the Anvil Herald—and it is becoming a first class farmer, per, and says that is what he likes and what the farmers need. We want in their newspapers. We appreciate Mr. Graff's words of commendation, but we are convinced that a paper can not be both a newspaper and a farm paper in one. With our improved facilities for printing we believe we can have two publications. Therefore, we are going soon to make the Anvil Herald a purely local county paper, issue a state farm paper separately and try to improve our service both capacities by doing so. If we can have the help of enough friends like Mr. Graff we shall succeed—succeed grandly, and be of greater service than we ever were before. But we need the help of our friends and need it quick!

"An' Missus Johnson, you be sure to get Kellogg's Corn Flakes, because the children won't eat any other kind. Kellogg's have the good flavor and they are never tough and hard to eat!"

Children are quick to know Kellogg's superior goodness

Little folks instantly recognize Kellogg's Corn Flakes from imitations! They know the delicious Kellogg flavor and they know that Kellogg's are never tough or leathery or hard to eat!

Kellogg's Corn Flakes are so superior in flavor and in wonder crisp crunchiness that once you know Kellogg's you will always serve Kellogg's.

And, Kellogg's should be best because they are the original Corn Flakes—the most delightful cereal ever made! Insist upon Kellogg's—the kind in the RED and GREEN package, because none are genuine without the signature of W. K. Kellogg, originator of Corn Flakes!

Don't forget, KELLOGG'S Corn Flakes are made by the folks who gave you the JUNGLELAND Moving Pictures. Coupon inside every package of KELLOGG'S Corn Flakes explains how you can obtain another copy of JUNGLELAND.

Local, Personal and Business Items from This Busy Burg

CASTROVILLE, MAY 4, 1922

ED. HUEHNER, LOCAL REPRESENTATIVE

News or business matter for this page for the week's issue should be submitted to Mr. Huehner or mailed direct to us at Hondo not later than Wednesday of each week.

The rains, amounting to 2.75 inches on Wednesday night, and 2.60 on Sunday, visited this section. The rains will insure a fine crop of corn and prospects are very promising for an abundant crop of corn and other crops. Stockmen are also smiling as they put out water and pasturage will be fine.

Edna Sittre, Florence Scherrer, Mollie de Montel, Laura and Elizabeth Kralic, Josephine Jungman, Fannie Bourquin, Cecelia Haby and Irene Haby. Messrs. K. B. Holmes, J. E. Burnes, James, Jack and Bernard FitzSimon, Hugo Bourquin, Gabe Hans, Ralph de Montel, Harley Murphy and all the rest of the school pupils.

FOR SALE—666 acres of land, 71 acres in cultivation, balance divided into 3 pastures of 480, 75 and 40 acres respectively. A four-room residence, a large barn and a large ground tank. Situated on East side of Hondo Creek. For particulars apply to Jacob Burrell, Administrator, Castroville, Texas. 41tf.

Mrs. Joe Tschirhart Jr. was here from Noonan Thursday. Mr. and Mrs. Fritz Biediger were here from Biry Saturday.

Mr. and Mrs. Lee Mangold spent the week with Mr. and Mrs. John Schuehle at Sturm Hill.

The 7th and 8th grade boys and girls of Hondo, chaperoned by their teachers, enjoyed a picnic here Saturday.

Mr. and Mrs. Nick Tschirhart and children of San Antonio were here for the Hans-Brieden wedding Tuesday.

Miss Laura Kralic is visiting in San Antonio this week.

Trade with us, be treated courteously and save money. L. M. Tondre & Sons. 41.

Master Theodore Wurzbach was visiting Martin Kralic here Monday.

Mr. and Mrs. Albert Beck and family of Riomedina and Mr. and Mrs. August Koenig of French Settlement were here for the wedding of Harry Hans and Miss Alice Brieden Tuesday.

Buy your Saddles, Harness, Collars, Bridles, etc., from us and save from 10 to 20 per cent. L. M. Tondre & Sons. 41.

Hon. A. J. Durham of Uvalde, prospective candidate for Representative of this district, was mingling with his many friends here Wednesday.

August Tschirhart of Bader Settlement, John W. Hans of East Side and Albert Biediger of lower Medina are serving Uncle Sam as federal grand jurors this week.

## FLETCHERIZED FARM FACTS

By Fletcher Davis.

There probably will not be any more articles printed in this paper under this head.

For several months now they have appeared as regularly as conditions would permit in this place.

Meantime the writer has been working out plans for issuing a regular farm journal.

He sees where he can soon launch this publication.

Therefore, his future contributions to farm literature will appear, not here but in the columns of his farm publication.

He hopes his readers have been sufficiently pleased and interested in this line of work to subscribe for the new paper.

In addition to his own writings, he has the promise of help from some of the ablest farm writers in the state.

So it will not be a one-man production, but it is hoped to make of the publication one of wide and varied interest.

So if you want to see "What's Coming," use the blank elsewhere on this page and send in your subscription at once.

That is the only way you can find out.

Don't wait for a sample copy.

Take a sportsman's chance and send on your dollar; be among the first to enroll.

Most of you formerly received the Monthly News Bulletin of the State Department of Agriculture.

We had it sent to you.

And we worked hard to make it helpful to you.

We can't serve you any longer in that way; the legislature would not let the News Bulletin live.

But if you will let us, we can again serve you.

This time, however, it will require a dollar of your money.

Can we have it—and with it your moral support and encouragement? Use the blank elsewhere.

Come on now—let's go!

### TOGETHER.

We toiled in barren fields of life—

In spring and winter weather;

In all the storm, in all the strife,

Together—still together.

But even the dark was glorified,

Facing the shadows, side by side.

Though sorrow came to drown the song

And sweet Joy slipped his tether,

Still hand in hand we walked along

Together—still together.

And love was there when hope had died,

And love still found us side by side.

Ever by love supremely led

In all life's stormy weather,

Even by the green graves of our dead,

Together—still together.

And sorrow still is sanctified,

Facing God's future side by side.

—Frank L. Stanton, in Atlanta Constitution.

An examination of the marriage license report for Medina county would lead one to surmise that our Aztec population largely exceeds the rest of the population, or else they are given to marrying earlier and oftener.

The Dallas-Galveston News thinks it is "hush money" that is being brought to the pulpit in disguise. Judging from the line of talk that flows from some pulpits in praise of the Ku Kluxers it is "hush" and "gush" money!

—[What's Coming]—

Every town needs a business organization of some kind. Every business organization needs the loyalty and support of every business man in the town. If you have such an organization see that it has your support. Not all men can do their duty. It is a greater thing to do one's duty in whatever sphere one occupies than it is to have the plaudits of a cheering throng!

# Ask Your Neighbor

To join you in subscribing for a new farm journal to be established soon in Hondo by Fletcher Davis. Mr. Davis hopes, in a publication of his own, to take up again the work for the farmers of Texas which he was doing and which was interrupted when the Legislature cut off the appropriation for the Monthly News Bulletin of the State Department of Agriculture. He has the promise of some able help in editing his paper and hopes to surpass anything ever achieved with the State publication.

# What's Coming?

The answer to "What's Coming" will depend upon the response of the public of the state. Being a privately owned and financed enterprise it must be supported by paid subscriptions. Will you help him put it across? Do you want to be a pioneer in the enterprise? If so send a dollar at once and find out "What's Coming." There are nearly 500,000 farmers in Texas. It will take too long to get around with a sample copy. Don't wait. Call at the office now, or use the following and send your dollar.

Mr. Fletcher Davis,  
Hondo, Texas.

Dear Sir—Desiring to be among the first to come to your assistance and wishing to know just "What's Coming," here is my dollar to find out. Send the paper when published to—

Write name perfectly plain

Write postoffice perfectly plain

Rural Route and Box, if any

Do the same for the State

If you want to be a missionary as well as a financial helper, call your neighbor's attention to this and tell him it costs just a dollar to find out "What's Coming" and urge upon him that—

# He ought to know

Law, in the sense I am using it, is the expression of the sovereign will, and in democracies the sovereign, for the time, is the majority at whose demand the law is created.

Disobedience to the law is an assault on the sovereignty of the people and a defiance of government.

To say that any law cannot be enforced is to say that the sovereign is incapable of sustaining order. It is to say that there are more law violators than law obeyers, and if that were true the law could never have been enacted. Obedience to law is not brought about solely by administering punishment to its violators. That method plays a minor part in law enforcement. Love of country and its institutions, the habit of obedience, the command of conscience to do right, an inward sense of justice, the desire for order, all are more powerful forces in securing obedience to law and its general enforcement.—Thomas H. Franklin.

—[What's Coming]—

The fine rains in Medina county have put out an abundance of stock water and assured abundant pasturage. Forced sales of live stock on account of feed shortage will not vex the stock man for some time to come. The deep season in the ground with proper handling of the soil make your farm crops reasonably certain this year. Prices are not as high as war time conditions made us accustomed to, but the farmer and stockman who keeps his overhead within reasonable bounds should be able to sell at a fair margin of profit. With these conditions there is no reason why Old Man Prosperity should not abide with us for some considerable spell.

## DISTRICT COURT

The Spring term of the district court came to a close Saturday afternoon after disposing of the following business since our last report: H. E. and Robert Gill vs. J. A. Crawford et al, suit on note and to foreclose lien. Judgement by default for plaintiffs for \$1,240.05.

G. W. Hester vs. T. A. and C. A. Crouch, Suit on note. Case settled out of court and suit dismissed.

Trinidad G. de Fernandez vs. Federico Fernandez, divorce. Divorce granted.

In the case of W. S. Lilly vs. Esker M. Lewis, suit on note and to foreclose lien, on trial when we went to press last week, after both sides withdrew their announcements by agreement and the case continued to the next term of court.

Numerous cases went over to the next term of court to perfect service.

The following were appointed as jury commissioners to select a grand jury and draw petit jurors for the fall term of the court: Frank Schneider, Nick Haby, and H. F. King.

The expense of the term just closed will approximate \$947.

## Was Very Weak

"After the birth of my baby I had a back-set," writes Mrs. Mattie Crosswhite, of Glade Spring, Va. "I was very ill; thought I was going to die. I was so weak I couldn't raise my head to get a drink of water. I took . . . medicine, yet I didn't get any better. I was constipated and very weak, getting worse and worse. I sent for Cardui."

TAKE

# CARDUI

The Woman's Tonic

"I found after one bottle of Cardui I was improving," adds Mrs. Crosswhite. "Six bottles of Cardui and . . . I was cured, yes, I can say they were a God-send to me. I believe I would have died, had it not been for Cardui." Cardui has been found beneficial in many thousands of other cases of womanly troubles. If you feel the need of a good, strengthening tonic, why not try Cardui? It may be just what you need.

### DEVINE NEWSLETS.

From The Devine News.

Hamilton and Stewart, the broom  
workers, have placed another order  
for broom labels, having used up a  
big supply made for them some  
weeks ago. They are making 50 to  
100 brooms a day and can't keep  
up with their orders. They make  
as good brooms as one can find any-  
where, and they are finished neatly,  
too. It isn't often that one finds  
a country article as nicely finished as  
the city made, but their brooms will  
compare with any we see.

Mrs. Jesse Duncan and daughter,  
Miss Marguerite, Mrs. Jeff Minaca  
and sister, Miss Margie Harris of  
Moore and Yancey, were in Devine  
Saturday and called on Mrs. D. W.  
Evans and daughters.

Mr. and Mrs. C. M. Merritt of Hon-  
do attended exercises at Black Creek  
Friday night.

The stone work on the St. Joseph  
Catholic church is about completed,  
except the dome, which will be built  
much higher than the other stone  
work. The tin roof is also being put  
on and will be completed by the time  
the masonry is finished. The edifice  
will be a very imposing one and adds  
considerably to the physical appear-  
ance of things in that block and im-  
mediate surroundings. There will  
be enough from the dressing of the  
stones to hard surface the lots ad-  
jacent to the church and this will  
also add materially to the appear-  
ance of the church.

Tax Collector Lou E. Heath was  
down from Hondo Saturday closing  
up assessments for this year. He is  
making assessments of the Devine  
school district for school purposes  
also, with a little additional work,  
cheaper and easier than it could be  
done locally.

David Davidson, known as "Bud"  
Davidson, died at a sanitarium in  
San Antonio, April 18, at the age of  
53 years, leaving a wife, several  
brothers and sisters. He was reared  
in the Sand Branch neighborhood  
and had lived there most of his life.

Mrs. Gus Brieden was called to San  
Antonio Saturday by a message  
which said her daughter, Miss Louise  
Brieden, who has a position in a de-  
partment store in the city, was quite  
ill. She took her little son Phillip  
in to consult a doctor also and found  
her daughter some better at the home  
of a relative.

W. F. Stribling got off two cars of  
onions and Thompson & Lilly three,  
before the drop came too low. C. H.  
Melton, after shipping several cars,  
stopped gathering and went to water-  
ing again.

R. R. Redus is taking a luff-off on  
account of cranking a car and get-  
ting his hand hurt, almost breaking  
two or three fingers on his right  
hand.

Mayor Dan W. Huffer, candidate  
for state senator, in the lower Rio  
Grande district, and sister, Miss Mat-  
tie Huffer, matron Girls Training  
School of Gainsville, were in Devine  
Sunday and called on friends. They  
also visited the graves of their par-  
ents buried in Evergreen Cemetery.

Of the seven true bills returned by  
the Medina county grand jury last  
week, only one was returned against  
a resident of the county and he was  
a Mexican. Four of the bills were  
against transient Mexicans who bur-  
glarized a store at Hondo and were  
followed out of the county. Two  
of the bills were found against a  
white man, a salesman, who lived in  
another county.

The grand jury of Medina county  
adjourned after a little more than  
three days deliberation finding little  
to do and few bills, which speaks  
well for Medina county, her law en-  
forcement officers and law-abiding  
citizenship as a whole. Our morals  
and social relationships may not be  
ideal, but it is the work of the social  
and religious organizations to clean  
up along these lines, rather than the  
duty of the courts, we suppose.

## That Knife-Like Pain.

Is Only One of Nature's Warnings of  
Weak or Disordered Kidneys.

Have you a lame back, aching day  
and night? Do you feel sharp pains  
after stooping? Are the kidneys  
sore? Is their action irregular? Use  
Doan's Kidney Pills—the medicine  
recommended by so many Hondo  
people. Read this case:

Joe Huesser, Hondo, says: "I can  
highly recommend Doan's Kidney  
Pills for I know they are excellent.  
I suffered with my back and my kid-  
neys bothered me a great deal. I had  
sharp, knife-like pains in my kidneys  
every time I moved. I had to get up  
nights on account of the irregular  
action of my kidneys. The secre-  
tions burned in passage and were  
highly colored. A friend told me of  
Doan's Kidney Pills so I used a box,  
which cured the attack. I always  
use Doan's now when my back both-  
ers me and they never fail to help  
me."

Worthy Grand Patron. The School  
was opened and conducted by Mrs.  
Wofford and interest was manifested  
in all the classes. Luncheon, served  
at 1 o'clock, was a delightfully sub-  
stantial repast of fine barbecue, cof-  
fee, tea, potato and fruit salads,  
pickles, sandwiches and cakes. The  
afternoon was devoted to the study  
of the Constitution and question  
box. After an equally refreshing  
supper, further enhanced by chicken  
and ham sandwiches, exemplification  
of the degrees was carried out by  
the Hondo chapter. Mrs. Wilson as  
Worthy Matron, Mr. F. S. Cockrell,  
W. P. pro tem. The officers drill, led  
by Mrs. Hudspeth and Mrs. Dr. Brad-  
ley, was applauded at every intricate  
figure by the delighted guests, many  
of the visitors asking for a chart of  
the drill. Mr. and Mrs. Merritt, Miss  
Willa Mae Gaines, Mrs. Althea Kim-  
ball and Miss Evelyn Wilson were  
received into the order.

The committees appointed were:  
Executive Committee, Mrs. F. S.  
Cockrell, chairman, Mrs. Dr. Brad-  
ley, Mrs. I. Wilson, Mrs. T. Barnes,  
Mr. Olin Lacy, Mr. Will Muennink;  
Refreshment Committee, Mrs. Dr.  
Bradley, chairman, Mrs. R. H. Hud-  
speth, Mr. Olin Lacy, Charles Monk-  
house, Mrs. Walter Short, Mrs. Hen-  
ry Crow; Program Committee, Mrs.  
Roland Chancey, chairman, Mrs. H.  
Bradley; Flowers and Presents Com-  
mittee, Mrs. Cockrell; Housing Com-  
mittee, Mrs. Mimke Muennink, chair-  
man, Mrs. M. Beal, Mrs. C. W. Gil-  
liam; Decorations Committee, Miss  
Maggie Cameron, chairman, Miss Pan  
Gilliam, Mrs. Willie Crow, Mrs. Ag-  
nes Oefinger; Welcome Committee,  
Inez Carter, chairman, Mrs. Anna  
Barnes, Mrs. Blocker, Miss Mollie de  
Montel, Miss Emma Muennink, Miss  
Maude Cameron.

A program, prepared by Mrs.  
Chancey, was as follows: Address of  
the Grand Matron; Presentation of  
bouquets to the Grand Officers, Mrs.  
Cockrell. These were of roses in red,  
white, pink and yellow designs with  
ferns and corresponding ribbon, and  
each star point presented one as the  
presentation address was read. Mrs.  
Starnes presented the Matron with a  
lovely bouquet of Easter Lilies and  
Miss Evelyn Wilson as the youngest  
member of the chapter presented the  
Matron with a silver compote from  
the lodge, which was gracefully ac-  
knowledgeed. Mrs. Marjory Wofford  
gave two beautiful readings, followed  
by Mrs. Cockrell in piano numbers.  
Mrs. Horace Bradley in a vocal solo  
was accompanied by Mrs. Russell. A  
beautiful floral drill of the star points  
led by Mrs. Horace Bradley followed.  
Mrs. Fly accompanied by Mrs. Russel  
singing "Abide With Me." The offi-  
cers in this were: Mrs. Bradley, con-  
ductress, Mrs. Glee Woolls, blue  
flowers, Miss Pan Gilliam, yellow;  
Miss Maggie Cameron, white; Mrs.  
Agnes Oefinger, green; Mrs. Lulu  
Chancey, red; Mrs. Hudspeth, chap-  
lain.

The Grand Matron expressed her-  
self delighted with the proficiency  
and perfection of the work, and Mrs.  
Wilson received many congratula-  
tions as Matron. The out-of-town  
guests that registered were nearly  
70 in number.

#### COMPTROLLER'S PRAISE.

COMPTROLLER'S DEPARTMENT,  
State of Texas, Austin.  
April 29th, 1922.

Mr. Joe Ney,  
Tax Collector,  
Hondo, Texas.  
Dear Sir:

I am mailing you, under separate cover, a copy of the audit recently made of your administration of the Tax Collector's Office of Medina County, which shows that you and the State are in an exact balance. Permit me to congratulate you most heartily upon the showing and record which you have made as tax collector, to commend you to the citizenship of your county and also to the tax collectors of the entire State as a proper example to follow. Extending to you my very best personal wishes, I am,  
Yours very truly,  
Lon A. Smith, Comptroller.

The Comptroller's Department has just completed a general audit of collector's accounts in its office, and the foregoing was written to former collector Joe Ney, and speaks for itself.

Mr. Ney is justly proud of this statement and his friends will rejoice with him in the well merited encomium. Those who know the Comptroller, Mr. Lon A. Smith, know his old-fashioned, rugged honesty and the real worth of his estimate can appreciate it still the more.

J. T. BRISCOE A VISITOR.

#### Devine Man Says Mayfield Developing Strength as Candidate.

John T. Briscoe of Devine, former member of the Legislature and long active in the politics of the 15th Congressional district, said yesterday that Railroad Commissioner Earle B. Mayfield is developing much strength throughout his section in his campaign for the Democratic nomination for the United States Senate. "Mr. Mayfield's defiance of the Interstate Commerce Commission in the determination of that body to control intrastate rates without reference to the wishes of the states is the most popular issue that has been brought out in this entire struggle among the numerous party aspirants. Not only is Mayfield strong in Medina county, but he is developing a formidable fighting force all over the big congressional district which runs, as most Texans know, all along the Rio Grande from Point Isabel to Eagle Pass. The vote Mayfield will poll July 22 is going to surprise many of the politicians."

Many of Mr. Briscoe's admirers have urged him to run for Congress. He said he had formed the opinion that John N. Garner is too valuable to Texas to be replaced—if that could be done—and that he will support him for renomination just as he has been doing many years.—Wednesday's Express.

#### SOME GOOD WOLVES.

Wolves had been busy on Henry Muennink's chickens for some time; had been getting from one to three hens a day. So a few days ago, Adolph Graff and H. Muennink went out and took Graff's educated dog to locate the wolves. About half an hour after leaving Muennink's house the dog located Mr. Wolf. Then the dog took orders from his master as to what kind of a scheme to work. And he did it right. Just a little later Mr. Wolf received a long distance shock and the dog nabbed him. So when the men got there they said, "Now this is one good wolf." Then they knew that his mate was somewhere near and probably a bunch of young wolves. But night came and they decided to go another day soon. So on Saturday, April 29, H. Muennink went out for a while and found seven young wolves and caught them all, and soon they were good wolves. And now if this old mother wolf doesn't want to be a good wolf she had better quit this country at once.

Last year, on April 18th, this same dog belonging to Mr. Graff located a wolf family that had been working on Fred Brucks' poultry flock. Mr. Graff was assisted by F. J. Brucks in digging up these wolves and they captured the old mother wolf and eight young wolves. Including these nine wolves and the old Mr. Wolf captured the other day, A. J. Graff has captured twenty-nine wolves since May 17, 1917, eleven grown wolves and eighteen young ones. And the seven caught by H. Muennink make a total of thirty-six in less than five years on less than one square mile. Now in catching all of these wolves these boys didn't lose any valuable time. It was all done during noon hours or after a rain when field work was impossible. Now if these boys belonged to the Wolf Club it might weaken the treasury to some extent. And if these wolves were all living, the poultry man in that neighborhood would begin to look for another job.

## 1200 CITIZEN SOLDIERS WILL TRAIN AT CAMP TRAVIS.

Instructions in Three Branches of Service Will Be Given Texas Boys This Summer.

Tentative plans for the summer Citizens' Military Training Camp for this area were announced at the Eighth Corps Area Headquarters yesterday by Lieut. Col. George Chase Lewis, C. M. T. C. officer. Orders were received at the headquarters from the War Department authorizing recruiting for the summer training camps.

Four big citizen's camps will be conducted in the Eighth Corps area for one month beginning July 27 and closing August 26. The camps will be held at Camp Travis for infantry, cavalry and artillery branches; at Fort Sill for infantry and artillery; at Fort Logan, Colo., for infantry; and at Fort Bliss, El Paso, for infantry, artillery and cavalry.

The C. M. T. C. camps last summer proved such a great success that the War Department has made recommendations for 27,000 civilians taking training or about three times the number provided for last summer in the nine corps areas. In 1921 only two camps were conducted in this corps area, at Camp Travis and Fort Logan.

As announced yesterday by Lt. Col. O. P. Robinson, assistant G-3 for operations and training, all plans will be tentative until final action by Congress, making appropriations and providing for the care of the full quota of the camps.

### 3,000 in Eighth Corps

In the Eighth Corps Area 3,000 youths will enter the summer camps if the plans of the War Department are not changed because of lack of finances. Of this number 1200 are expected at Camp Travis. These 3,000 will be selected from more than 20,000 applicants which are expected to be received in this corps area.

Last year there were 5,500 applications and only about 1200 of the number could be admitted to the camps. The War Department has already forwarded 20,000 application blanks for physical examination to the corps area headquarters here, also 10,000 pennants and stickers for the students to place on their luggage while enroute to the camps.

The plan of having four training camps instead of two will make it possible to have a camp in each section of the corps area, alleviating unnecessary training expenses for the students in going from their homes for the training period.

All the students allotted to the camps will attend the one nearest home and they will be paid mileage of 5 cents per mile over the most direct route to and from the camp.

All students will be encouraged to pay their own fare to the camp and receive cash reimbursement on arriving. Commutation for railroads will be paid at the rate of \$2 each day on the road.

It was announced yesterday that 250 applications from prospective students have been received at the Citizen's Military Training Department of the Eighth Corps Area. And within a few weeks thousands of applications will be received in the belief of Colonel Lewis. In selecting the students to attend, careful consideration will be used and the first applications will be given some preference over the later ones. Physical fitness and general qualifications will figure in the selection of the 3000 student soldiers from the 20,000 applications expected.

Three courses of study will be offered this summer, the red, white and blue courses. Only the red course was given last year. Those eligible for the red courses must be between 17 and 25 years of age. They must not be less than 69 inches in height at 17 years of age and not less than 60 inches at 18 years and must have at least a two inch expansion. Eyesight and hearing must be good, applicant must be able to withstand long marches and other physical exertions. They must be intelligent to understand, execute orders, obey and give commands.

The object of the red course will be to provide elementary training in military and camp life suitable for the training of a private in the Organized Reserves. However, in attending the summer C. M. T. C. no obligation to join the Reserves force will be incurred, it is announced.

The white course will be for those who wish to qualify as non-commissioned officers of the reserve forces. The applicants must be between 18 and 27 years of age with physical requirements slightly higher than for the red course. Educational requirements must be met with a grammar school education or its equivalent and applicant must be of sound moral character. Students in the white course will be given the opportunity to act as non-commissioned officers in the training camps. Special encouragement will be given those who graduated last year from the red course, also to privates of National Guard, regular army and organized

reserves.

### High School Education Needed.

In the blue course, third and highest course to be offered, applicants must be between 19 and 27 years of age. But graduates of the two preceding courses will not be barred because of age. The physical requirements will be the same as for the white course and the applicants must have had a minimum high school education. This course is designed for non-commissioned officers of the National Guard, regular army, organized reserves, and students of military colleges who desire to qualify for commissions in the reserve forces.

Officers of the organized reserves, regular army and national guard will have charge of the training of the youths who enter the summer camps. The training staffs have not been announced.

While the students of the summer camps will not receive pay, they will be given mileage at the rate of five cents per mile to and from camp, receive board, quarters, clothing, free medical attention, free ammunition for target practice with all necessary arms and equipment.

The procedure of prospective applicants for gaining admission for the training camp is announced by Colonel Lewis as follows: Applicants will write to the Citizen's Military Training Camps Department, Eighth Corps Area, Fort Sam Houston. Application blanks for physical examination will be mailed. When these blanks are received by the applicant, he will report to a home physician for a physical examination. After the blank is forwarded to the headquarters of the training camps, he will await the selection of the allotment for the training. Before leaving home for the camp, July 27, antiphoid vaccine will be received for prophylaxis before coming to camp. This system of vaccination will save much valuable time, Colonel Lewis said.

The staff of G-3 of the Corps Area headquarters, headed by Col. Charles S. Lincoln and assisted by Lieut. Col. O. P. Robinson is now busy with the plans for the training camps of the summer. Much optimism was revealed at the quadrangle yesterday when the announcement was made from the War Department that the Corps Area commanders should proceed with the details of recruiting and receiving applications from the prospective students. Lieut. Col. George Chase Lewis, C. M. T. C. officer, assisted by Capt. J. M. Howder, will send out letters to prospective applicants in the Corps Area.

While the appropriations bill recently passed by the House of Representatives provides for \$1,800,000 for the C. M. T. C., against the recommendations of the War Department for \$2,700,000, it is thought that 3,000 students can be provided with training in the Corps Area, and 27,000 in the entire United States, with the expenditure of \$1,800,000.

### FOUR SCORE AND ONE.

Hondo Anvil Herald: The Galveston News is eighty years old, and on Monday of this week entered upon the eighty-first year of its usefulness. What a power it has been in shaping the thought and influencing the policies that have marked the marvelous development of this state, and what a wealth of history it has recorded in its files! To have contributed in howsoever small a degree to its labors, is to have part in a heritage left to the state of which any one might feel proud.

It is something to have worked openly and unremittingly for the good of a state and a state's people through eighty round years. This thing The News has done. It has been mighty history in the making, and done its modest part toward making what has been made. It has come up through years of partisan passion and turmoil, through wars, through pestilence, through storms that slew their tens of thousands. It has seen the unpeopled prairies come to be dotted with happy towns and farmsteads. It has seen the almost endless forests invaded by industry and fields and factories opened in primeval woods. It has seen ships from every port on the globe make paths to the shore of Texas. It has stood for every good thing, and against every bad thing, according to its lights. It has been the recipient of countless plaudits from thoughtful men and women, and a target for the missiles of the thoughtless and the spiteful. It has fought its fights in the open and has never practiced either concealment or demagoguery. It has asked nothing for itself save the patronage of those who believed it valuable. It has courted no popularity inconsistent with its sincerity as a medium of public information and expression. It has stood for law and order, not as a policy, but as a duty. It has stood for Texas because its heartstrings are rooted to every square mile of this state. The News is eighty years old, yet a child in comparison with what it will be a hundred years from now.—Dallas-Galveston News.

## THREE BROTHERS NAMED JOHN MADE CITIZENS.

Hondo Farmers Take Out Papers After Living in U. S. 52 Years.

Three sisters and three brothers were among the 61 aliens that were admitted to citizenship yesterday in Federal Court in a naturalization hearing before Judge Duval West.

The brothers, all named John, came to this country 52 years ago and were under the impression that they were American citizens until December, 1921, when, immediately upon learning that there were some necessary formalities to go through with before they could be really classed as Americans, they filed petitions for naturalization with H. M. Anthoni, Federal naturalization agent for Texas.

Their names are John John Lindenberg, Harm John Lindenberg and Dirk John Lindenberg and each of the brothers has a son named John, they told Mr. Anthoni. They are all farmers living near Hondo.

The sisters who were naturalized yesterday are Misses Ida Wolf, Matilda Wolf and Rosie Wolf, and are natives of Germany. One other German woman, one Russian, one one British and two Alsatian woman, making a total of eight women receiving citizenship yesterday.

The naturalization ruling which allows a foreign-born applicant for citizenship to change his or her name upon being naturalized was made use of by a Russian woman who had her name changed from Yenta Eruzalinsky to Yetta Zalinsky.

Twelve applicants were naturalized in the morning, six from Germany, two from France, and one each from Mexico, Greece, Italy and Great Britain. One of the number was a discharged soldier.

In the afternoon 29 were naturalized, 22 being from Germany, three from Greece, seven from Mexico, four from France, three from Great Britain, six from Russia, two from Italy and one each from Austria and Czechoslovakia. Two of the afternoon group were soldiers from Kelly Field, one a native of Greece and the other of the British Indies.—Tuesday's Express.

### FROM THE BANDERA NEW ERA.

Sudden Death at Tarpley.

William Schmidt, a highly respected citizen of the Tarpley community, died suddenly with heart failure at his home Tuesday night. He leaves a large family who have the sympathy of a wide circle of friends.

The New Era sanctum was favored with a visit yesterday by that genial old pioneer, Chas. de Montel, who now lives over at Camp Verde. He came down on a visit to his sons, Richard and Lee de Montel, and daughter, Mrs. Arthur Pue, and dropped in to get acquainted with the editor. His father, Chas. de Montel Sr., was really the founder of Bandera, having established a sawmill here in 1853, and brought in a number of settlers. We secured some valuable data from Capt. de Montel for the "Pioneer History of Bandera County."

Mr. and Mrs. P. A. Brown and Earnest Haby came up from San Antonio Sunday to visit Mrs. Henry Haby.

Eddie Liebold, who lives down on Medina Lake, was in town Monday, displaying the scalp of a big wolf which he trapped in his goat pasture Saturday night.

### TARPLEY TOPICS

The young people enjoyed a dance at the home of Mr. and Mrs. Edgar Rieber Saturday night.

Joe Billings and Mr. Wilson of Hondo were visitors at Tarpley Saturday and Sunday.

### Mr. Albert Neuman Friday shipped

out of Hondo two relics of other days. These relics consisted of two long-horn steers. These two, about the last representatives of a not very remote past, had as head ornaments horns approximately 6 feet from tip to tip. They belong to a species of bovine beauties that are fast disappearing and they were objects of curiosity while at the stock yards. They went to Gerdes & Schweers, San Antonio.

Train porter to passenger: "Shall I brush you off, sir?"  
"No, I'll get off in the usual way."  
—The Battalion.

Stanton U. McGary came up from Houston Thursday to be present at the funeral of his aunt, Miss Rachel McGary. He left on Friday morning for his headquarters in the Bayou City.

Carload shipments in and out of Hondo the past week were extremely light, consisting of but three cars, two out and one in, as follows: Outbound, 2 cars of corn, inbound, 1 car of sand.

Math Rath, who was summoned to San Antonio Monday to do service as a juror in the federal court, plead his exemption and was excused by Judge West. He returned home Tuesday.

Rev. G. E. Grueber of the St. Paul's Lutheran Church and C. J. Bless as delegate are attending a Synod at Fredericksburg, where 120 Texas Lutheran preachers and delegates are in session since Monday. The Synod will adjourn next Monday.

Mrs. A. P. Jones was brought in from Sabinal the middle of the week and is at the home of her daughter, Mrs. Dr. B. R. Bradley. Mrs. Jones is in very poor health. She was accompanied here from Sabinal by her daughter, Miss Vera Jones, who returned to Sabinal Thursday afternoon.

T. McCall has been nursing a very sore hand for the past ten days or more. While handling his milk cow in some way she threw her head around and the sharp point of her horn pierced the back of his right hand, inflicting a painful laceration and bruise. The wound is healing slowly but satisfactorily.

Judge R. H. Burney came in Thursday after his automobile which he left here last week on account of the rains that had rendered the roads impassable at the time he adjourned court. The Judge did not tarry long but hit the trail back to Kerrville, being afraid the rains would catch him again if he delayed long. Judge Burney's visits to Hondo nearly always bring rain, therefore this community has a selfish motive in desiring them often.

Wm. Jungman came over from Lacoste on the train Tuesday, returning Tuesday night. He took occasion to pay this office a very appreciated call while here.

To get a new subscriber is one of the special pleasures of a newspaper man. He feels that his efforts are appreciated and the ordering of his paper is a stimulant to the editor. Messrs. Alfred Zinsmeyer and Pete Koch put new life into the office force Thursday when they had their names entered on our books as new subscribers.

## Three Things Paint Must Do

- First—It must cover the surface, be true to shade and not fade.
- Second—Resist changes of temperature without cracking.
- Third—Stand the sun without blistering, chalking or peeling; Endure, last and satisfy.

All these qualities plus economy will be secured if you wisely give your preference to

### Bradley & Vrooman Base and Tint Paint

It is "live" fresh paint that spreads most easily and covers the most surface, gallon for gallon.

It possesses every good quality that stale "dead" paint lacks. Every drop is usable. There is no waste from hardening or setting in the package.

The colors are bright and glowing and it has the stamina and properties that give the greatest paint protection at a minimum cost.

### Paint Doesn't Cost Money —It Saves It!

Unless your home is protected inside and outside by repainting at least once every four years, you will lose in repairs and lessened value, from five to ten times what the paint and labor would cost.

"Save the surface and you save all else."

57 Shades of B. & V. Base and Tint Paint in stock for inside and outside use. A Gold Bond Guarantee of satisfaction protects you purchased on every pint.

## Hail Insurance on Growing Crops

NOW, for the farmers, who are already heavily burdened, as they have been forced to accept big losses because of reduction in prices and credit in the course of re-adjustment, to be caught without hail insurance, in the event of a bad hail storm, would present a condition akin to the "straw that broke the camel's back."

Be classed as a conservative and reliable farmer by placing HAIL INSURANCE with a strong old line company, on your Growing Crops.
